

ICE CREAM A MANY – Around St Louis

Ted Drewes Frozen Custard

Selling frozen custard for over 80 years! This custard is a smooth and rich frozen treat. Along with the delicious hot fudge sundae, Ted's "concrete" has been the most popular treat at the custard stand. The concrete, which was created in 1959, is a malt or shake so thick that it is served upside down. Menu includes several combinations. My personal favorite is Terramazou which is a secret blend of chocolate and pistachio nuts. Ted is known in St. Louis to say "It really is good, guys...and gals!"
